MANAGEMENT
SYSTEM

ESAMS provides a mechanism for the centralized collection of data with a core repository of information utilizing integrated applications and standardized responses for data accountability and evaluation. With standardization comes accuracy. As more and more individuals are included in data collection and reporting, standardization of the process allows for more accurate data.

Dis-enrolling from a course

- If you do not have an authenticated account and need to disenroll from a course your GSM/GSO will need to authenticate your account then remove you from the course.
- If you have an authenticated account, you can disenroll yourself from the course. 24 hours before the course, the disenrollment option is no longer available. Please plan accordingly. If you have duty, operational commitments, or something else that comes up, please disenroll
- Base safety will not disenroll riders within 24 hours of the start of the course. You will show up as absent on the training roster that goes out to the area commands each week if you do not show up to the class.
- The clerk at the Motorcycle Training Center will deactivate all ESAMS accounts for riders the following week.
- In the event that a GSO/GSM account is deactivated, please contact the Base Safety SNCOIC at 760-763-3132, Mario Ferreira at 760-763-5334 or Blaine Bromwell at 760-763-5070
