

Welcome Aboard

Newly assigned Marines, Sailors, and families,

Welcome to the 1st Supply Battalion Family! I am personally honored to serve with you, and excited that your family has joined the team here in beautiful Camp Pendleton, California.

1st Supply Battalion is headquartered aboard the Marine Corps Base Camp Pendleton and is a subordinate unit of the 1st Marine Logistics Group and I Marine Expeditionary Force. 1st Supply Battalion has a rich legacy and lineage that includes service in Vietnam, Iraq, and Afghanistan. Our unit provides critical supplies like repair parts, ammunition, medical supplies, and rations to the warfighters in I Marine Expeditionary Force here in Camp Pendleton as well as abroad. The support our Marines and Sailors provide day in and day out play a huge part in maintaining our nation's expeditionary force-in-readiness.

My personal goal is to ensure you are received into the "Dragon Warrior" family in a positive and professional manner. Your sponsor and our welcome aboard packet should facilitate a smooth PCS or PCA transition to 1st Supply Battalion.

Again, welcome to the "Dragon Warrior" family. The shared bonds and sacrifices of service to the Marine Corps and our great nation is truly a calling and privilege few will ever experience. The discipline, character, and resiliency you will build as part of this proud unit will be a life altering experience, rich with lifelong friendships you will consider family long after your time at 1st Supply Battalion is complete. I know your tour with 1st Supply Battalion will be personally and professionally rewarding. I am honored to serve alongside you in this historied battalion and I look forward to meeting you and your family.

Semper Fidelis.

Col Taunja M. Menke
Commanding Officer
1st Supply Battalion
